SOMMELIER'S SELECTION

Welcome to Park90, a wine lounge where we invite you to drink, eat, relax, enjoy and share the pleasures of wine with friends.

The wines have been specially curated, and sourced, from our network of partners, negociants and chateaux around the world. Old world vs new world, different grape varieties, we leverage upon our extensive reach to source wines for everyone's pleasure in Park90. One thing above all, Park90 allows everyone to indulge in their passion for wine.

We are also fortunate to have access to wines which are on limited release (and typically allocated). As such, we have created a Membership program to enjoy these Members-only wines. This will be a unique loyalty program specially designed to appeal to members who want to enjoy such wines in Park90. Further details can be readily provided.

Wine brings people together. It promotes fellowship, it sparks conversation and it's also fascinating as a matter of subject to study and discuss. No matter how much you learn, or know, every vintage will have different factors that make you think again. If one of the purposes in life is to live it, enjoy it, and seize the moments that you find particularly pleasing, what greater pleasure to drink such wines amongst the company of friends.

We are privileged to have you here.
Enjoy your experience at Park90!
